About the Book

ALL THE MISSING GIRLS

Once you enter their world, there is no escape...in this gripping and undeniably chilling thriller by Emmy-award-winning journalist Linda Hurtado Bond.

As a crime reporter for a Tampa TV news station, Mari Alvarez knows when an investigation enters dangerous territory. But with her estranged sister missing and almost no information to go on, Mari can't trust anyone but herself to find the truth. Now she has just 48 hours to sneak into Cuba undetected, track down her sister...and pray to her orisha that she's not too late. This is nothing like reporting in her neighborhood, though--a place she knows like the back of her hand. In Havana she has no contacts and only an ice-cold trail of cryptic clues. When Detective Tony Garcia offers to help, Mari puts aside her instincts and tries to let someone in. But soon they're caught in a maze of lies, deception, and an undercurrent of the island's own witchcraft, a sinister Brujería. Every lead draws Mari further into this world of shadows, especially when her sister isn't the only young woman who's gone missing. Each step pushes Mari and Tony toward a revelation they never saw coming. And as they close in on the horrifying truth, one thing becomes clear...no one will let them leave Cuba alive.

All the Missing Girls will release on August 19th, 2024. The book is currently available for preorder on Amazon. Follow future book updates on Bookbub and Goodreads.

Official Bio

AUTHOR LINDA HURTADO BOND

Words are her world, and her romantic side is a thrilling place to be.

Linda Hurtado Bond is an **Emmy-award-winning journalist**. She works as a television news reporter and anchor in Tampa, Florida. For the past twenty years, she's been reporting on local and national events, as well as writing emotional, human-interest stories on both the best and worst in our society. She's seen it all, and her unique vantage point provides endless content for her fiction books. Entangled Publishing released Linda's two romantic adventures, ***Alive at 5*** and ***Cuba Undercover*** as well as her medical thriller, ***Flatline***. Think James Bond meets Romancing the Stone. Her latest series takes a darker turn, investigative thrillers, starting with ***All the Broken Girls***. ***All the Missing Girls*** and ***The Phantom Pirate of Gasparilla*** release in late 2024 and early 2025. Linda is also the host of Tampa Bay Reads, an author-related segment that airs on her TV news station highlighting local book influencers, authors, and others in the book community. A breast cancer survivor, Linda took the worst day of her life and turned it into one of life's best opportunities, now using her platform as a news anchor to support nonprofits like the American Cancer Society and to advocate for others fighting cancer. She has won **13 Emmy awards, numerous Society of Professional Journalist and Associated Press awards, as well as a Florida Bar and an Edward R. Murrow award.** This former baton-twirling beauty queen from the deep south, (Go Dawgs!), now lives in Tampa with her husband. They've raised five kids, a surgeon, a nurse, a paramedic, a pilot, and a future psychologist. Fair to say they'll be taken care of in retirement.
